INTERNATIONAL
STUDENT
ADMISSIONS

Thank you for your interest in attending Miami Dade College. The attached packet contains very important information regarding your admission to the College. Please read all of the information carefully. If you have any questions, do not hesitate to contact the International Student Services Office. The checklist below reviews all of the necessary forms and paperwork that must be submitted prior to the issuance of the I-20. **Once all required documents have been received, the I-20 will be completed within four (4) weeks.** PLEASE ADHERE TO TERM DEADLINES.

The following documents are required to complete the application process:

1. *APPLICATION FOR ADMISSION TO MIAMI DADE COLLEGE:

- This form must be completed in pen (blue or black ink).
- A \$50 check or money order in U.S. currency must be submitted with your first application for admission. **The application fee is nonrefundable.** (Fee subject to change without notice.)
- Make sure you have indicated the program of study you wish to pursue at the College.
- An incomplete application and/or missing required documents will delay the admissions process.

2. *CONFIDENTIAL BANK LETTER OF FINANCIAL RESOURCES:

Please provide us with an official bank letter on bank stationery and addressed to Miami Dade College indicating that you have or your sponsor has bank funds of at least an equivalent of \$21,000* in American dollars and that this money is to be used to support you while you study Associate Degrees at MDC. **(See sample bank letter)** If the student's name is not on the official bank letter, an additional notarized support letter will be required from the sponsor. The notarized support letter from your sponsor must indicate your name, use of these funds for your expenses at MDC, signature, address of sponsor and notary seal. Students with dependents need to provide an additional \$7,000 in financial support per dependent.

If the bank is in the United States, this bank letter must be notarized by the bank official. If the bank is outside of the United States, this letter must be certified authentic (notarized) by a bank official from that bank, be written in English and note U.S. dollar equivalents. The bank letter must be dated not more than six (6) months prior to the term deadline date. Acceptable sources of financial resources are savings accounts, checking accounts, money market accounts and certificates of deposit.

3. OFFICIAL DIPLOMAS, CERTIFICATES AND TRANSCRIPTS:

High school graduates only – Submit your original high school diploma/graduation document. For example, GCE/CXC, Bachiller, and Baccalaureate are such documents. For acceptable foreign high school documents, visit our web site: www.mdc.edu/internationalstudents

University students and those with a college degree – Submit original transcripts. Acceptance of transfer courses are subject to approval by the College.

All original documents must be official and so designated with appropriate seals and signatures. An official English translation is required for each document.

4. ENGLISH LANGUAGE REQUIRED:

If English is not your native language, you are required to present an English language placement test score, such as TOEFL, ELTS or the Compass ESL. The Compass ESL test will be administered at MDC upon your arrival. For more information regarding TOEFL, visit www.ets.org/toefl/ or for IELT www.ielts.org/.

5. PASSPORT, I-94 AND I-20:

A copy of your passport's biographical page is required. If applying for admission within the United States, please also provide a copy of your I-94 card/document.

If transferring from another educational institution in the United States, a copy of the I-20 from your current institution and a completed MDC Transfer Eligibility form is also required. For form, please visit www.mdc.edu/internationalstudents.

If applying from outside of the United States, upon arrival you must provide proof of a valid passport, processed I-20 and I-94 card.

6. ** HEALTH AND ACCIDENT INSURANCE COVERAGE:

Students must have health insurance coverage prior to registering for courses. The health insurance is purchased through the International Student Services offices of Miami Dade College.

* Certain programs require additional funds and a secondary application. Check requirements for Bachelor Degree Programs.

** All documents, except insurance, must be in the office of International Student Services before the I-20 can be issued.

NON-FLORIDA RESIDENT AND INTERNATIONAL STUDENT EXPENSE INFORMATION FOR ASSOCIATED DEGREES

The following information is provided concerning matriculation fees, tuition and an estimate of living expenses for full-time International Student applicants. International students must have sufficient finances to cover all living and educational expenses incurred while at Miami Dade College as verified by a certified bank letter of financial resources. Funds must also be available on a continuous basis to assure adequate financing during the student's entire educational stay in the United States.

The College does not provide student housing, and students should arrive in Miami at least one month prior to the first day of classes to allow time for testing, registration and to locate suitable housing in the Miami area. Students should be prepared to pay three months' rent in advance at the time housing is located in Miami. Health insurance is required for all International students, and the estimated cost for this is \$1,500 annually (Health insurance cost is not included in the following information).

Fall Term or Spring Term — Sixteen Weeks (Full Time: Based on an average of 12 semester credits per term)

Matriculation Fees and Non-Resident Tuition (Estimate)	\$4,200		
Textbooks, Supplies, Special Fees (Estimate)	700		
Total Educational Expenses		\$4,900	
Housing, Food and Local Transportation* (Estimate)	4,500		
Personal (Estimate)	1,100		
Total Living Expenses		\$5,600	Average Estimated Cost \$10,500

The cost of transportation between home country and Miami, Florida is not included in the above estimated expenses.

Summer A & B Terms Combined — Twelve Weeks (Full Time: Based on an average of 12 semester credits for combined terms)

Matriculation Fees and Non-Resident Tuition (Estimate)	\$4,200		
Textbooks, Supplies, Special Fees (Estimate)	700		
Total Educational Expenses		\$4,900	
Housing, Food and Local Transportation* (Estimate)	4,500		
Personal (Estimate)	1,100		
Total Living Expenses		\$5,600	Average Estimated Cost \$10,500

The cost of transportation between home country and Miami, Florida is not included in the above estimated expenses.

The expenses for students enrolled in either Summer Term A or B will be approximately half of the cost of the total estimated expenses for the Summer terms combined.

Total estimated expenses for one academic year (12 credits Fall and Spring) are	Educational	\$ 9,800
	Living	\$11,200
	Total	\$21,000

Holiday recess expenses to live in the community or travel are not included in this total.

Students' registration may exceed 12 credits in a semester. Please consult the International Student Services Department for specific credit cost.

Matriculation fees and tuition charges are determined by totaling the number of semester credits taken each term times the charge per each credit. Special fees for laboratory courses, or other special course fees, may be charged in addition to the fees and tuition indicated above. Students without sufficient funds will not be permitted to register for courses. Fees, tuition and estimates are subject to change.

BACHELOR OF SCIENCE IN EDUCATION (B.S.)

The four-year bachelor's degrees in education are designed to prepare students to become teachers and pass state professional certification exams. An internship in a school setting is required to provide practical experience. Additionally, individuals with bachelor's degrees in other fields are able to earn teacher certification. A secondary application and additional funds may be required for these majors. Please refer to the College Catalog for specific program prerequisites (www.mdc.edu).

CODE AREA OF CONCENTRATION

S4301	Exceptional Student Education (K - 12)
S4201	Secondary Mathematics Education
S4104	Secondary Science Education - Biology
S4105	Secondary Science Education - Chemistry
S4106	Secondary Science Education - Earth and Space Science
S4107	Secondary Science Education - Physics

BACHELOR OF APPLIED SCIENCE (B.A.S.)

The four-year Bachelor of Applied Science is a workforce-driven baccalaureate degree in public safety management designed to provide education and training, resulting in immediate employment possibilities for students in numerous careers in public safety. This comprehensive curriculum emphasizes critical thinking, analytical, written and oral communications, as well as research skills designed to prepare today's learners for entry-level, mid-management and upper-level supervisory positions within public safety agencies such as the FBI, DEA, ICE, U.S. Marshals Service, U.S. Secret Service and others. A secondary application and additional funds may be required for these majors.

CODE AREA OF CONCENTRATION

P5108*	Public Safety Management - Basic Law Enforcement Academy (State Certification)
P5102	Public Safety Management - Corrections Concentration
P5106	Public Safety Management - Crime Scene Investigation Concentration
P5110	Public Safety Management - Criminal Justice Concentration
P5105	Public Safety Management - Emergency Management Concentration
P5107*	Public Safety Management - Field Internship Placement

P5100	Public Safety Management - Law Enforcement Concentration
P5103	Public Safety Management - Probation and Parole Concentration
P5104	Public Safety Management - Security/Loss Prevention Concentration

BACHELOR OF SCIENCE IN NURSING (B.S.N.)

The primary goal of the Bachelor of Science in Nursing (BSN) is to provide students and practicing nurses with a high-quality, accessible, cost-effective and seamless academic program designed to meet the critical workforce need for baccalaureate-prepared nurses in the State of Florida. A secondary application and additional funds may be required for these majors.

CODE AREA OF CONCENTRATION

N5100	Nursing RN to BSN
-------	-------------------

ASSOCIATE IN ARTS (A.A.)

The A.A. is designed to transfer to universities. It is protected by the articulation agreement among all Florida public institutions of higher education. A student who is awarded an A.A. by Miami Dade College has met the general education requirements for admission to the upper division in public universities of the State of Florida. Refer to FACTS.org for additional information.
