LEVEL 2 SEMESTER 3**

OBSTETRICAL NURSING

STUDENT _____ STUDENT NO. _____

COURSE _____ SEMESTER _____

All students are required to adhere to Professional Behaviors throughout the nursing program. Failure to meet expected behaviors may result in a failing clinical grade or withdrawal from the program. Faculty will provide written documentation throughout the semester for any behaviors requiring improvement or designated as unsatisfactory. Students must be satisfactory in all areas by the end of the semester to pass this course.

CLINICAL EVALUATION ACHIEVEMENT LEVELS

SATISFACTORY

A student who earns a grade of satisfactory:

- Safely executes psychomotor skills or identifies errors in technique.
- Applies theoretical knowledge, with assistance.
- Begins to gather data for use in the nursing process.
- Begins to use therapeutic communication techniques.
- Begins to apply critical thinking when developing a nursing care plan.
- Validates unclear areas with instructor.
- Meets all objectives in Core Components.

UNSATISFACTORY

A student who earns a grade of unsatisfactory:

- Fails to transfer knowledge from pre-requisite courses.
- Communicates in an angry, disrespectful or inappropriate manner.
- Violates policies of affiliating agency and/or College.
- Unsafely executes psychomotor skills taught in previous semester.
- Fails to act on constructive feedback.
- Fails to meet course objectives due to excessive tardiness or absence.
- Fails to meet all objectives in Core Components.
