Associate in Arts

The AA degree is designed to transfer to universities. It is protected by the Articulation Agreement among all Florida public institutions of higher education. A student who is awarded an AA degree by Miami Dade College has met the general education requirements for admission to the upper division in public universities of the State of Florida. Refer to FACTS.org for additional information. Students may indicate areas of focus or interest in the AA program and may organize electives to reflect that interest. However, the AA degree itself does not have an academic major; thus, no specialty title will appear on the student's transcript. Possible areas of interest could include the following or any other combination of elective courses.

Advanced Technical Certificate

The Advanced Technical Certificate is available to students who have already been awarded an Associate in Science degree and wish to upgrade their skills. Students must successfully complete a prescribed set of courses at the advanced level in order to be awarded the certificate.

CODE AREA OF CONCENTRATION

- ☐ C6028 Biotechnology
- ☐ C6029 Biotechnology - Bioinformatics
- ☐ C6030 Biotechnology - Chemical Technology
- ☐ C6027 Certified Flight Instructor

Non-Degree Status

Non-degree codes are for students who intend to enroll in specific credit courses only and do not intend to complete a degree or certificate.

CODE AREA OF CONCENTRATION

- ☐ 30171 Personal Interest or Development
- ☐ 39001 Teacher - Transient
- ☐ 39003 Teacher Recertification
- ☐ 30168 Transfer
- ☐ 30170 Upgrade or Develop Occupational Skills

Career Technical Certificate

These Career Technical Education Certificate (formerly Vocational Credit Certificate) programs are comprised of vocational credit courses. Program length varies depending upon the complexity of the individual program. The training is focused on preparation for immediate job entry and specific job titles. Competencies gained upon successful completion of these training programs may result in advanced placement or specific credits towards an Associate in Science degree. Students interested in these programs should contact the appropriate campus department for additional information.
