

Miami Dade College
COLLEGE-LEVEL EXAMINATION PROGRAM (CLEP)
 Effective March 10, 2003 through August 14, 2006

General Information

Public community colleges and universities in Florida are required to award credit for CLEP exams as designated by section 1007.27, Florida Statutes. The chart below indicates how CLEP credit will be utilized at MDC. In accordance with the Articulation Agreement (March 1, 1971) between State universities and public community colleges of Florida, students transferring to a public senior institution within the State are assured that CLEP credit will transfer when earned as a part of a completed Associate in Arts degree. However, it is the student's responsibility to contact the senior institution if any question exists concerning the acceptance of CLEP scores.

All interested students are encouraged to see an Academic Advisor before registering for the examinations. You may earn up to 45 semester credits at MDC through the CLEP examinations listed below. For additional information on CLEP please visit <http://www.collegeboard.org/clep/>
