

CHARGE TO THE QUALITY ENHANCEMENT PLAN TEAM

- Develop a vision for the College's 21st Century Learning Agenda.
- Analyze and assess strengths, challenges, and opportunities for the College in relation to student learning and the learning environment.
- Develop goals and strategies for building on our current strengths and achieving our vision,
- Identify resource needs associated with strategies and propose priorities among those alternatives.
- Propose an implementation plan, including assignment of responsibilities and a schedule.
