

In this capstone course, the student will focus on the acquisition of a multidisciplinary methodology needed to produce a collection. The student will also survey the various steps of building a collection, from conception and range planning through to design, execution and presentation. A minimum of 4 looks will be produced by the end of the semester. (1 hr. lecture, 2 hr. lab)

Course Description: Corequisite: CTE2120

Course Competency	Learning Outcomes
