# EAP0386 Intermediate 1 - Integrated Reading, Speech & Listening

## Course Description:
Students will learn to develop proficiency in reading level-appropriate text by listening to short oral discourse and discussing academic materials. Emphasis is on vocabulary expansion and application of strategies that assist in comprehension and communication. (6 hr. lecture)

Prerequisite: EAP0220, EAP0200

## Course Competency

### Competency 1:
The student will develop understanding of level-appropriate academic and other authentic reading materials by:

1. Identifying the topic and main idea of selections
2. Distinguishing between main ideas and supporting information
3. Recognizing connection elements within and between sentences
4. Predicting content by applying background knowledge
5. Examining common, level-appropriate cultural references
6. Making inferences and drawing conclusions
7. Comparing and contrasting reading selections
8. Analyzing and discussing authentic academic readings
