Dear Stephen,

In the name of The Produce Connection, I will like to take the opportunity to thank you for all the help that you have provided us in the last year with the Export Training Program. Thanks to your knowledge, experience and positive attitude is why we have been able to develop new export sales thru the whole Caribbean. Last year itself, we were able to develop new business in Bahamas, Barbados, Haiti, Dominica, Guadeloupe and Suriname. This year we are planning not only to increase our sales volume in these islands but we also intend to develop new business in Panama, Trinidad and Tobago, Aruba, Cayman Islands and other more islands. We truly believe that you have done an outstanding job with this program, your passion and your true dedication has inspired us to continue pursuing our goal of exporting to the Caribbean and South America.

We sincerely thank you for your time and dedication and we look forward to continue working together.

Julie Escobar,

Director of International Sales
