5. **Dr. Goonen’s Announcements**

*Coordinating Committee Academic Dean and Student Dean*

Historically, the past lead Academic Dean and Student Dean were appointed to serve for one-year on the Coordinating Committee. For continuity, effective academic year 2005-2006, the term of service has been extended an additional year. Therefore, Sean Madison, Academic Dean, and Madeline Pumariega, Student Dean will serve on the Coordinating Committee for an additional year.

*Curriculum*

(a.) Curriculum was not approved on emergency basis during the summer.
(b.) Special campus CASSC meetings were held to review the Bachelor of Applied Science in Public Safety Management. These recommendations will come forward at today’s CASSC meeting. The faculty, Debbie Goodman, Ron Grimming, Mollie DeHart, Gina Cortes-Suarez, and the District Office of Education were recognized for their diligent work, support, and accomplishments on the Bachelor of Applied Science in Public Safety Management.

*OPPAGA*

OPPAGA is the auditing division of the Department of Education. This year MDC had three OPPAGA audits. The first audit was of Student Services. OPPAGA met with various Student Services groups. In the near future, the state will provide a report of the Student Services audit. The second audit was an “Academic Freedom” audit, and was not a visit. OPPAGA requested a copy of the Student Academic Freedom statement which is in the Student Handbook. MDC also provided the Student Academic Freedom statement in the faculty contract. The third audit was a Developmental Education audit. This information was provided via telephone.

### CASSC Legislative Issues Committee

Herbert Robinson, Chair of the Legislative Issues Committee, presented a recommendation to dissolve the Legislative Issues Committee. The justification for the recommendation was that the committee is redundant as each campus has a Legislative Committee, and Dr. Vicente is the College-wide Committee Chair.

Leslie Roberts explained that on a regular basis Dr. Goonen presents legislative issues, concerns and updates at College-wide CASSC, therefore, we will be continuously apprised of legislative events.

### Sharepoint

Floyd Pittman, past CASSC Chair, explained his electronic vision of College-wide CASSC. Last semester the attempt was made to move to Sharepoint. At that point, College-wide CASSC was doing both paper and the electronic version. The goal for this semester is to go paperless, and institute an electronic system overall with enough laptop computers available at the meetings to review the meeting packets on the overhead screens and the laptops. Tentatively, 30 laptops
will be available. The campus Feedback Forms, Minutes, Agenda, Curriculum Forms, and other information for the meeting such as the memo concerning voting were on Sharepoint in the September meeting packet. Each month a meeting packet will be on Sharepoint.

Floyd Pittman also encouraged that room 2106 be converted to wireless. Converting room 2106 to wireless would eliminate a multitude of problems, and save time in the setting up and disassembling after each meeting. This request was strongly supported by College-wide CASSC.

Floyd Pittman demonstrated how to locate the CASSC Sharepoint site. He explained that you go to (1) MDC Home Page, (2) click on employees, (3) click on Sharepoint, (4) click on College-wide Committees, and (5) click on CASSC. It was suggested that this site be saved to (5) Favorites.

9. **Announcements**

Joseph McNair announced that the next College-wide CASSC meeting will be Tuesday, October 11th, at Medical Center Campus, Room 1175, 1:30 p.m..
