TBA

1 Student Representative

Jose Antezana
Wolfson Campus

Resource Members

Director, Enrollment Management

Rene Garcia
District/Wolfson

The Council agreed that individuals interested in serving on these committees, if not specified by position, would be identified by each of the six campus CASSCs, and these names would be submitted to the Campus Presidents. The Campus Presidents will submit nominees to the College Provost. Council members additionally recommended that every committee appointment should be made with the intent of securing the broadest possible representation.

Approved by the College CASSC at the November 12, 1999 meeting.
