BISCAYNE NATURE CENTER

- ◆ It is one wonderful place to enjoy a beautiful day with friends and family.
- ◆ It is also an excellent place for be in contact with the nature.

Different kind of sea creatures that you can find in this place.

- ◆ In the first picture you can see a jelly fish.
- ◆ In the second you can see a wonderful fish.
- ◆ But in this place you can find many others animals like crabs, snails and shrimps.

This is my family

- ◆ My children was very happy to catch sea animals. He caught one snail and one crab.

The tour guide

- ◆ They was excellent because the explained everything about all the animals and plans that you find in this park.

The museum

At the end of the tour for the park you also can visit the museum. This museum has different can the alive animals and others dissect.

Before go home

Is very important for the people sit in the sand to reflect and reconnect with our natural environment.
