Next Meeting

Our next meeting will be held on August 24 at 4pm in room G106

Don't Forget to Sign Up Early for Fall Classes!

Registration for the Fall Semester has already begun so don't forget to sign up early for classes. By signing up early you will have the best chance to get in to the classes you want, with the professors you like, and on top of that you will help us plan meeting times that are better suited to fit your schedule. At Beta Alpha Iota we are committed to holding interim meetings during the semester that will allow more members to become actively involved.

President Paige

After being gone for over a month on vacation and being out of the loop of things, I do not have a lot of information I can share with you guys this month. We have had a few events in the past few months that I am happy to report went well, including the phone-a-thon and orientation for potential new members. We signed 8 new members from our efforts, so pat yourselves on the back and congrats Beta Alpha Iota on a job well done! I think we are all looking forward to this fall and all of its events planned toward our five star status, keep up the good work! Make sure you are checking the website for information you may need in order to help out or participate, as always, we need as many people involved as possible. I see so many names on our list of members that are not involved, hopefully coming this fall you will be in a situation where you can come and support our chapter in everything we do and meet the great people that are in the Beta Alpha Iota Chapter of PTK.

FELLOWSHIP & FUN

Here are just some of the events you may have missed out on...

Dean Sean Madison spoke at our Summer Orientation
