

**ACADEMIC YEAR 2008-2009**  
**Banked Points = Days Formula**

To calculate the equivalent number of days based on a faculty member's banked points, you divide the banked point balance by the number of points per day within a given term (see calculations shown) below. It is recommended that a banked point audit be requested to Human Resources in order to verify the banked point balance.

**FALL TERM 2008-1**

8-25-08 to 12-20-08 = 83 days

60 points /83 days = 0.723 points per day

Banked points/0.723 points = # of days

**SPRING TERM 2008-2**

1-5-0-98 to 5-2-09 = 84 days (includes Commencement)

60 points/84 days = 0.715 points per day

Banked points/0.715 points = # of days

**SUMMER A 2008-3**

5-11-09 to 6-19-09 = 29 days

24 points/29 days = 0.828 points per day

Banked points/0.828 points = # of days

**SUMMER B 2008-4**

6-22-09 to 7-31-09 = 29 days

24 points/29 days = 0.828 points per days

Banked points/0.828 points = # of days
