^{**}We cover the cost of services based on whether doctors are "in network" or "out of network." We want to help you understand how much we pay for your out-of-network care. At the same time, we want to make it clear how much more you will need to pay for this "out-of-network" care.

When you choose out-of-network care, we limit the amount it will pay. This limit is called the "recognized" or "allowed" amount.

Aetna receives rebates from drug manufacturers that may be taken into account in determining Aetna's Preferred Drug List. Rebates do not reduce the amount a member pays the pharmacy for covered prescriptions. Aetna Rx Home Delivery and Aetna Specialty Pharmacy refer to Aetna Rx Home Delivery, LLC and Aetna Specialty Pharmacy, LLC, respectively. Aetna Rx Home Delivery and Aetna Specialty Pharmacy are licensed pharmacy subsidiaries of Aetna Inc. that operate through mail order. The charges that Aetna negotiates with Aetna Rx Home Delivery and Aetna Specialty Pharmacy may be higher than the cost they pay for the drugs and the cost of the mail order pharmacy services they provide. For these purposes, the pharmacies' cost of purchasing drugs takes into account discounts, credits and other amounts that they may receive from wholesalers, manufacturers, suppliers and distributors.
