College

Top 10 Reasons to Come to MDC

1. Academic Excellence – MDC is an internationally recognized higher education institution that sets the standard among colleges in the U.S. and offers a stimulating learning environment. MDC offers Associate and Bachelor's degrees.

2. Hundreds of Programs and Majors – High demand programs include natural and social sciences, arts and humanities, international business, tourism & hospitality management, law enforcement & international security, Nursing, Physician Assistant, film & television production, digital animation, and many more.

3. An Ideal Educational Experience for International Students – International students look forward to beginning their journey of academic success at MDC! "For me, MDC has been the best - a welcoming and exciting place to study and learn", according to international student Chau-Yi Lin.

4. Technology – MDC is nationally known for its state-of-the-art computer labs, equipment, software and other technology that enhance the learning and information research experience for students.

5. Excellent Faculty – Experienced professors and smaller classes provide students the opportunity to receive personalized attention, individualized instruction and a quality education overall.

6. Affordability – MDC has lower tuition and fees than most universities, and the College is known for its high quality academic programs.

7. Scholarship Opportunities – MDC offers hundreds of scholarships for which international students may apply.

8. Great Student Life – Opportunities to participate in a vibrant International Student Organization and numerous other clubs; student writers and artists are needed to develop our award-winning literary magazines and newspapers. MDC presents many signature cultural events including the Miami International Book Fair and Miami International Film Festival, that bring hundreds of world renowned authors, filmmakers, and actors to the College for the benefit of students and the community.

9. Miami – A world class destination- There's no place like Miami for entertainment and recreation, including exciting nightclubs and concerts; white sand beaches, jet skis and other water sports under the glorious Florida sun. Disneyworld, Epcot, and Busch Gardens, the most popular entertainment theme parks in the United States, are within a relatively short driving distance from Miami Dade College.

10. Profound Professional One on One advisement – International students enjoy excellent advisement and guidance from professional International Student advisers and associates that sees to the needs and concerns of International Students specifically. According to international student Lance McGibbon "The experience that I have received through the International Students department, has assured me that my attendance at the college is greatly appreciated".
