

PLACEMENT CRITERIA FOR ACADEMIC YEAR 2004-2005 MIAMI DADE COLLEGE

The State of Florida requires entry-level testing for students seeking Associate in Arts and Associate in Science degrees. Students whose native language is not English may be required to take another test to measure their English proficiency before entry-level testing is permitted. The State also requires institutions offering Postsecondary Vocational Certificate Education to test vocational students entering their programs. Miami Dade College (MDC) may accept official test scores from certified academic institutions and approved regional workforce boards. Parameters for testing will be established between coordinating agencies. This year's Placement Criteria Document is divided into five parts: I. Placement Criteria for Degree and College Credit Certificate Programs; II. Criteria for Degree and College Credit Certificate-Seeking Students with Limited English Proficiency; III. Procedures for Testing and Placement Criteria for Vocational Credit Certificate Programs; IV. Procedures for Testing and Placement Criteria for Adult General Education Programs; and V. Procedures for Testing and Placement Criteria for Dual Enrollment Seeking Students.

Note: Students (including Dual Enrollees) must have active MDC student numbers, e-mail addresses, and present two forms of valid identification (ID) prior to taking any placement examination. The first ID must be a recent official photo bearing ID, such as a driver license, unexpired passport, alien residency card, Florida State ID, or Military ID. The secondary ID must include one of the following: MDC card, social security card, voter registration card, credit card or other official ID bearing the student's name and signature. Both ID's must match the name in MDC's record system.

I. PLACEMENT CRITERIA FOR DEGREE AND COLLEGE CREDIT CERTIFICATE PROGRAMS

The State of Florida requires each public college and university to have scores on one of the following test batteries for degree-seeking students prior to registration: Scholastic Assessment Test (SAT), American College Testing (ACT), or the Florida College Entry-Level Placement Test. The Florida College Entry-Level Placement Test consists of the Computerized Placement Test (CPT) and a paper-and-pencil version of the CPT. The term CPT will be used in this document to designate both forms of this test.

The State sets minimum scores below which college preparatory work is required in reading, writing, and algebra. MDC requires additional testing in mathematics depending on the score received on the algebra section of the CPT. Placement **scores are valid for two years**. A registration hold is in place to prevent student registration until scores are presented. **Further assessment may be conducted in courses**. Students may retest once on each subtest of the CPT for initial placement. Retesting in any subtest area must occur prior to enrollment in that area or by the 100% refund date.

REQUIRED TO TEST:

1. All degree-seeking first-time-in-college students and all college credit certificate-seeking students in programs with more than 12 credits. Such students may not register for any credit course at MDC until they have a set of complete scores on file. Note: This includes students who hold only a vocational credit certificate.
2. All students who register for any English or mathematics course.
3. All students who register beyond 12 cumulative credits.
4. All students seeking dual enrollment. Note: Refer to page 8, Section V for placement guidelines.
5. All students who took a placement examination more than **two** years ago, and whose scores have not been used for placement decisions.
6. All students who took a placement examination more than two years ago, whose scores were used for placement, but who have not yet passed a course in the corresponding subject area. Note: Students who placed into the lowest levels (REA 0001, ENC 0002, or MAT 0002) need not retest in that area.

**PLACEMENT CRITERIA FOR ACADEMIC YEAR 2004-2005
MIAMI DADE COLLEGE**

EXEMPTED FROM TESTING:

1. Students who have earned an associate degree or higher from a regionally accredited institution. Official documentation is required.
2. Students who have earned the required course grade based upon the chart below. Any course grade presented which is below that needed for exemption will require the student to be tested on the appropriate CPT subtest(s). Note: Exemption for courses not on the chart must be approved by the appropriate department chairperson. Official documentation is required.

Skill Area	Course	Grade
<i>Writing</i>	ENC 0021	S
	Any ENC 1000 or 2000 Level	A, B, C, S
	Any LIT 2000 Level	A, B, C, S
	SPC 1026	A, B, C, S
<i>Reading</i>	REA 0003*	S
	REA 1105	A, B, C, S
	ENC 1101	A, B
	ENC 1102	A, B, C, S
<i>Mathematics</i>	MAT 0020 or 0024	S
	MAT 1033**	A, B, C, S
	QMB 2100	A, B, C, S
	Any (MAC, MAD, MAP, MAS, MGF, STA)	A, B, C, S
	*Course number change from REA 0010 effective June 6, 2003.	
**MAT 1033 is a bridge course and does not count toward graduation.		

3. Students who attend another college or university, provide appropriate documentation, and are enrolling for courses to transfer to their primary institution (and who are not seeking a degree at MDC) are exempt from basic skills testing.
4. Students who present SAT-I or ACT scores meeting State requirements (see table below). If multiple test results are on record, the highest subtest scores are used. Any score presented which is below that needed for exemption will require the student to be tested on the appropriate CPT subtest(s). For students presenting passing mathematics scores in specific score ranges*, the College-Level Mathematics subtest of the CPT will be used to determine placement into advanced mathematics courses (ex: MAC 1105, MGF 1106, MGF 1107, etc.).

Skill Area	ACT	SAT-I
	Subtest Score	Subtest Score
Reading	Reading ≥ 18	Verbal ≥ 440
Writing	English ≥ 17	Verbal ≥ 440
Mathematics*	Math ≥ 19	Math ≥ 440
*Placement into MAT 1033 if ACT score is 19-20 or SAT-1 score is 440-499 or refer for CPT College-Level Mathematics subtest. If ACT score is 21 or higher or SAT-1 score is 500 or higher, placement into MAC 1105 or refer to Mathematics Department advisor for placement into other advanced mathematics courses (ex: MAC 1105, MGF 1106, MGF 1107, etc.). MAT 1033 is a bridge course and does not count toward graduation. Notes: Students who have already registered in a mathematics course (and are past the 100% refund deadline) are not eligible to take the College-Level Mathematics subtest without permission from the chairperson of the Mathematics Department. If combined SAT-I score is 1,200 or more, or composite ACT score is 26 or more, student may be eligible for Honors College.		

5. Students who present a "college ready" high school diploma from a Florida public school are exempt from basic skills testing for two years following award of diploma. However, the College-Level Mathematics subtest of the CPT will be used to determine placement into advanced mathematics courses (ex: MAC 1105, MGF 1106, MGF 1107, etc.).

¹Students scoring at this level must see an advisor prior to registering.

²Course number change from REA 0010 effective June 6, 2003.

*Students who have not satisfied college preparatory reading requirements may not enroll in college-level English even if their writing test score is 83 or higher.

*Students who have not satisfied college preparatory reading and writing requirements may not enroll in any Gordon Rule course. Students may select from a list of courses maintained by the Academic Advisement office and approved by the pertinent academic department, for co-enrollment with college prep courses.

Mathematics

Placement may be based on a combination of tests. Arithmetic scores are required for students scoring below the noted score on the Algebra subtest.

<u>Algebra Score</u>	<u>Arithmetic Score</u>	<u>College-Level Mathematics Score</u>	<u>Required Placement</u>
20 - 71	20 - 29	Not Required	MAT 0002

		40 - 62	MAC 1105, MGF 1106, MGF 1107
		63 - 120	Refer to Math Department

¹College-Level Mathematics subtest available upon request. Students who have already registered in a mathematics course (and are past the 100% refund deadline) are not eligible to take the College-Level Mathematics subtest without permission from the chairperson of the Mathematics Department.

²MAT 1033 is a bridge course and does not count toward graduation.

³An algebra score in this range without a college-level mathematics subtest score places a student in MAT 1033.

COURSE PLACEMENT GUIDE NOTES:

Further assessment may be conducted in courses.

If scores on one or more of the subtests require college preparatory placement, students must enroll in at least one college preparatory course during their first term.

Students placing into college preparatory course work in one skill area are required to enroll concurrently in SLS 1505; students placing in two or more skill areas are required to enroll concurrently in SLS 1535.

If CPT scores are college-level in all skill areas, students may be eligible for Honors College.

MIAMI DADE COLLEGE**

II. CRITERIA FOR DEGREE AND COLLEGE CREDIT CERTIFICATE-SEEKING STUDENTS WITH LIMITED ENGLISH PROFICIENCY

Students without sufficient proficiency in English to take the CPT are required to take an MDC approved English placement test (EPT or ACT-ESL) and be placed in the designated English as a Second Language (English for Academic Purposes (EAP)) course. This includes students with foreign degrees that were earned from an accredited institution where the official language of instruction is not English. A documented score of 550 on the paper-and-pencil Test of English as a Foreign Language (TOEFL) or a 213 on the computerized TOEFL exempts a student from English proficiency testing. Note: Institutional TOEFL scores are not used for exemption purposes. CPT testing is required following EPT or ACT-ESL testing and/or completion of EAP courses.

REQUIRED TO TAKE AN ENGLISH PLACEMENT TEST:

1. All students who graduated from a non-English speaking high school.
2. All students who took ESOL during their eleventh or twelfth grade years at any English speaking high school.
3. All students who earned a GED in Spanish.
4. All students who took an MDC approved English placement test more than one year ago and whose scores were not used for placement decisions.
5. Students transitioning from VESOL C to degree or college credit certificate programs are required to take an MDC approved limited English proficiency test in order to determine eligibility.

The following placement scores are in use for EPT and ACT-ESL (page 5):

Course Placement Guide:	
EPT Raw Score	EAP Course Placement

73 – 86	Level 5
87 – 95	Level 6
96 – 100	Exempt from EAP
<p>*Students scoring at this level will be strongly advised to enroll in alternative English language programs. Campus department may adjust initial placement based on a writing sample and/or oral interview. Further testing may be done in classrooms.</p>

III. PROCEDURES FOR TESTING AND PLACEMENT CRITERIA FOR VOCATIONAL CREDIT CERTIFICATE PROGRAMS

Depending on the vocational program, MDC administers the TABE Complete Battery or Survey, Level A, Forms 9 and 10 (Fire Science, currently uses the Complete Battery). Completion of a prescribed remediation program is suggested prior to retesting with a minimum 30-day period between retests. An alternate form of the TABE is used for retests. Note: Level D may be used if the completion level of the program is at the 9th grade level or less.

Minimum basic skills grade levels in mathematics, language, and reading are defined in each vocational program description adopted under Rule 6A-6.0571, and published annually by the Commissioner of Education in the document entitled, "Vocational Education Program Course Standards." Refer to this document for minimum required basic skills grade levels to earn a certificate by program.

Agencies sponsoring Vocational Credit Certificate seeking students may set higher requirements and exemptions for testing.

Students without sufficient proficiency in English are referred to Vocational English for Speakers of Other Languages (VESOL) programs. Refer to Section IV-C (page 7).

REQUIRED TO TEST:

1. All first-time-in-program students who designate themselves as certificate-seeking in a vocational program of 450 hours or more. Such students must complete an entry-level examination within the first six weeks of admission into the program.
2. All students whose TABE (or other approved examination) scores are more than two years old and have not been used for placement.
3. All students whose TABE (or other approved examination) scores are more than two years old and who have had a break in their enrollment of more than one year.

EXEMPTED FROM TESTING:

1. Students who have earned an associate degree (e.g. Associate in Arts, Associate in Science, Associate in Applied Science, etc.) or higher recognized by MDC. (Exception Note: Except in specific situations such as certain programs sponsored by external funding agencies.) Official documentation is required.

**PLACEMENT CRITERIA FOR ACADEMIC YEAR 2004-2005
MIAMI DADE COLLEGE**

2. Students who present SAT-I, ACT, or CPT scores which exempt them from college preparatory placement as outlined in Section I, Exemptions From Testing, Item #4 are exempt from testing for Vocational Credit Certificate programs. The student must have passing scores in all three subject areas.
3. Students who have completed the College-Level Academic Skills Test (CLAST) requirement pursuant to Section 1008.29 F.S. are exempt from testing for Vocational Credit Certificate programs.
4. Students who present official scores on any of the state-approved examinations (including the CPT) which demonstrate the skill level required by the specific program. The scores must have been obtained within the past two years.
5. Students seeking entrance into the MDC School of Criminal Justice. Note: Section 943.17(6) F.S. effective July 11, 2003.

EXEMPTED FROM EXIT TESTING ONLY:

Students who have earned a license from an approved national, state, or industry agency are exempt from the TABE exit testing requirement. The license has to be specific to the career and must be necessary in order to work in that field. Official license and documentation is required. (Note: Initial testing is required.)

IV. PROCEDURES FOR TESTING AND PLACEMENT CRITERIA FOR ADULT GENERAL EDUCATION PROGRAMS

MDC administers the TABE Survey Forms 9 and 10 with Locator. The TABE retesting guidelines in Section III are also followed for Adult Basic Education (ABE) and General Education Development (GED) programs.

Students without sufficient proficiency in English are referred to Vocational English for Speakers of Other Languages (VESOL) programs. Refer to Section IV-C (page 7).

A. Placement Guide for Adult Basic Education (ABE):

The following placement scores are required for placement in the ABE programs:

<i>ABE and PRE-GED Placement Guide</i>	
TABE Grade Equivalent *	Required Placement
<i>Reading</i>	
6.0 – 8.9	EDU 090
<i>Language</i>	
5.0 – 5.9	EDU 083
6.0 – 8.9	EDU 080
<i>Math</i>	
4.0 – 4.9	EDU 073
5.0 – 5.9	EDU 073
6.0 – 8.9	EDU 076

*Students whose TABE scores are below the minimum required levels are referred to other adult basic education programs or to other remediation programs offered by MDC. Information about these options will be provided to the student during the placement interview.

**PLACEMENT CRITERIA FOR ACADEMIC YEAR 2004-2005
MIAMI DADE COLLEGE**

B. Placement Guide for General Education Development (GED) Preparatory Courses:

GED students should obtain a minimum 9.0 grade level equivalent on the TABE for each subject area in order to gain the most benefit from the GED preparatory courses. If a student scores a 9.0 grade equivalent or higher in reading and less than 9.0 in mathematics and/or language, the student can be enrolled in both GED and ABE programs of study.

Students are registered in EDU 075 – GED Preparatory – Comprehensive (Literacy Completion Point A-E) if they lack a State of Florida recognized high school diploma and meet one of the following criteria:

1. Have never taken the GED test.
2. Have taken the GED test, but have not passed any of the subtests.
3. Passed all of the subtests of the GED test without obtaining an overall passing score of 2250.

A student who has taken the GED test and failed at least one, but not all of the subtests, is enrolled in one or more of the following courses:

GED Prep Courses Placement Guide		
EDU 085	GED Preparatory – Language/Writing	LCP - A
EDU 078	GED Preparatory – Social Studies	LCP - B
EDU 079	GED Preparatory – Science	LCP - C
EDU 095	GED Preparatory – Literature/Reading	LCP - D
EDU 077	GED Preparatory – Mathematics	LCP - E

LCP = Literacy Completion Point

C. Placement Guide for Vocational English for Speakers of Other Languages (VESOL):

MDC administers the TABE Survey (Reading and Language only) Forms 9 and 10 with Locator to place students into VESOL. Students will be placed based on the average of their reading and language scores on the TABE test as follows:

VESOL Placement Guide	
<i>TABE Grade Equivalent</i>	<i>Course Placement Level</i>
Below 2.0	EDU 057 – ESOL Foundations
2.0 – 2.9	EDU 068 – VESOL A (Beginning)
3.0 – 5.9	EDU 069 – VESOL B (Intermediate)
6.0 – 8.9	EDU 070 – VESOL C (Advanced)

Eligible students who do not meet the placement criteria listed above for the VESOL program will be referred to other programs offered by the College (REVEST, non-credit intensive English, etc.) or to programs offered by Miami-Dade County Public Schools. Students transitioning from VESOL C to Vocational Credit Certificate programs are retested on the TABE following the testing guidelines in Section III in order to determine program eligibility.

**PLACEMENT CRITERIA FOR ACADEMIC YEAR 2004-2005
MIAMI DADE COLLEGE**

**V. PROCEDURES FOR TESTING AND PLACEMENT CRITERIA FOR DUAL ENROLLMENT
SEEKING STUDENTS**

Florida Statute, Section 1007.271 describes the dual enrollment program as the enrollment of an eligible secondary student or home education student in post secondary course creditable toward a career and technical certificate, or an Associate or Baccalaureate degree. The credits that students earn must be used toward both high school graduation and be acceptable toward the Technical Certificate, Associate or Baccalaureate degree.

Dual enrollment students must pass the appropriate sections of the CPT, ACT or SAT, to enroll in college credit courses. Dual enrollment students who plan on enrolling in vocational credit courses must pass the TABE and meet the minimum basic skills grade levels in mathematics, language and reading as defined by the vocational/technical program.

REQUIRED FOR DUAL ENROLLMENT COLLEGE CREDIT STUDENTS:

1. Students must pass the English and reading sections of the CPT, ACT, or SAT prior to registering for courses not related to mathematics, performing arts, and visual arts.
2. Students must pass the reading and college-level mathematics section of the CPT, or meet MDC's required ACT/SAT scores prior to registering for MAC 1105 or higher, or any course that requires mathematics as a pre-requisite.
3. Students must pass the reading and elementary algebra section of the CPT, or pass the required reading and mathematics section of the ACT or SAT prior to registering for accounting courses.
4. Students must pass **all** sections of the CPT, ACT, or SAT for science (biology, chemistry, physics, earth science) and engineering courses.

REQUIRED FOR DUAL ENROLLMENT VOCATIONAL CREDIT STUDENTS:

Students must pass the TABE at the grade level required by the program to which they are applying.
