*The State report year differs from the academic year; it begins with Summer term. Example: State report year 2005-06 consists of MDC terms Summer 04-3, Fall 05-1, and Spring 05-2. State calculation of FTE has changed several times. Currently, 1 FTE = 30 student semester hours for all disciplines. Historical data have been converted to 30-credit FTE for comparison.

Source: State FTE-3 Reports, Non-weighted funded FTE (30 credit hours), excluding Lifelong Learning
