Credit student headcounts are unduplicated college-wide. A student may be included in both the credit and non-credit headcounts. Non-credit headcounts are unduplicated and include students enrolled in any of the following: Postsecondary Adult Vocational, Continuing Workforce Education, Adult Basic Education, GED Preparatory, or Vocational Preparatory courses. Recreation & Leisure students are shown separately because Recreation & Leisure activity does not count toward State FTE funding.

Headcounts by Term and Academic Year, North Campus

(includes Hialeah Center and Meek Entrepreneurial Education Center through 2003-04. Beginning Fall 2004, Hialeah data was removed and displayed as a separate campus)

Enrollment is by course campus. Students are counted on each campus (or center) at which they enroll for courses. A student may be included in both the credit and non-credit headcounts. Non-credit headcounts are unduplicated and include students enrolled in any of the following: Postsecondary Adult Vocational, Continuing Workforce Education, Adult Basic Education, GED Preparatory, or Vocational Preparatory courses. Recreation & Leisure students are shown separately because Recreation & Leisure activity does not count toward State FTE funding.

Enrollment is by course campus. Students are counted on each campus (or center) at which they enroll for courses. A student may be included in both the credit and non-credit headcounts. Non-credit headcounts are unduplicated and include students enrolled in any of the following: Postsecondary Adult Vocational, Continuing Workforce Education, Adult Basic Education, GED Preparatory, or Vocational Preparatory courses. Recreation & Leisure students are shown separately because Recreation & Leisure activity does not count toward State FTE funding.
