Song or Rap Analysis

Humanities 1020

Dr. Robert Remek

1. Write a descriptive review of a familiar rap or song. Name the song or rap and the artist(s) who performed it.

2. Describe several important aesthetic elements of the work such as the form, tempo, rhythm, performance forces, timbres, etc.

3. Describe the content and form of the lyrics and explain what they mean to you.

This assessment is graded using the college-wide rubric for LO9.
