

Minority & Small Business Enterprise (MSBE) Office

Dear Vendor:

The Miami Dade College MSBE Office identifies and builds relationships with all vendors, including small, local and minority-owned business to expand our network of diverse, qualified suppliers.

If your company is a small local business that has its principal place of business in Miami-Dade County, and is certified, we encourage you to review the incentives offered by our Small Local Business Enterprise (SLBE) Initiative. Please review the SLBE Initiative on the MSBE Office web page by going to www.mdc.edu/main/msbe.

If you are registering as a new vendor, please make sure you include your certification information. You may register by going to www.mdc.edu/vendor. If you are already registered as a vendor with Miami Dade College, please make sure you update your company's information and include all of your certifications.

If you are small local and are not certified, you may contact one of the following certification agencies: Miami-Dade County Regulatory and Economic Resources Department of Small Business webpage, www.miamidade.gov/sba or the State of Florida Office of Supplier Diversity, www.dms.myflorida.com

For more information about certification and our SLBE Initiative, please contact our MSBE Office at 305-237-0010.
