DIRECTIONS FOR THE PERT at the North Campus

WHAT IS THE PERT?

As part of the admissions process for MDC and before enrolling in SAS, you must take the College's Basic Skills Assessment Test called the Postsecondary Education Readiness Test (PERT). **The PERT has three sections that you must pass: Reading, Writing, and Math.** See the attached Agreement of Understanding for minimum passing score requirements. The testing takes approximately 2.5 hours and is done on a computer. The PERT is not an easy test, particularly in the math areas. You are permitted to take each section of the PERT **only THREE times.**

HOW DO I PREPARE FOR THE PERT?

Information about each section of the PERT is provided on the following pages. Sample questions are also included. Please review this information for each of these areas prior to taking the PERT. For test preparation and practice information, you are strongly advised to visit the links below prior to the test.
