

CHINA

Experience Imperial and Contemporary Architectural Masterpieces

The Study Abroad Program organized by Miami Dade College School of Architecture and Education First College Tours.

Immerse yourself in the rich culture of China as you explore this country of more than a billion people. Through visits with local students and families, you will gain an intimate understanding of everyday life here. Embark on adventures in its largest cities, including Beijing, Xi'an and Shanghai. Discover centuries of history- and recognize China's growing importance in the modern world. -EF Tours
