

Enhance your resume with a Florida WorkKeys Credential !

MDC will be offering free assessments during the month of February at the Medical Center Campus.

There are three sections which take 3.5 hrs to complete! Applied Math, Reading for Information, and Locating Information...core skills required for more than 85% of all jobs today!

Call (305) 237- 4275 to make an appointment

Your Florida Ready to Work Credential will :

- make you stand out from other applicants.
- show employers that you have the skills and initiative they are looking for in a successful employee.
- be recognized by employers in more than 40 states.

Florida Ready to Work also offers:

- FREE online Courseware to help improve your skills and raise your scores.
- A Career Center that helps you research potential careers and the skills you will need to secure a job.
