### **HCA Scholarship Interview Questions**

Tell us about yourself. What did you do prior to starting MDCC?

Why did you choose your health science major?

What did you like best about your last job?

What did you like least? Why?

Describe to us a problem or difficult situation that happened in your clinical rotations. What happened and how did you resolve the problem.

Describe your ideal supervisor?

If you could change one thing about your last supervisor, what would it be?

What would your co-workers (or fellow students) say about you?  
What would your clinical instructor say about you?

Describe a situation when you went beyond your "job description".

What are your goals in the next 3-5 years?

What can you tell us about HCA? What HCA facilities are you interested in?

What area would you like to work in? What hours would you like to work?
