Agreement for Off Campus College Activity

The agreement below is designed to protect our group members in the event that an emergency might require the immediate action parents would take if they were present and also, as a necessary precaution, to protect Miami Dade College from claims which might be made by members of the group and their parents.

In the years the college has been sponsoring off-campus activities, incidents of the type covered by this agreement have been negligible. However, parents would not wish their sons or daughters to join a group under the auspices of an organization that disregarded even the remotest contingency.

We recommend that you read the provisions of this agreement carefully and if not fully understood please consult with your attorney. We hope that we shall have your full cooperation.

RELEASE

As a student of Miami Dade College, I do willingly execute this release in consideration of the educational benefit derived by me by my participation in _____ (specify activity). 5. As a delegate, I will engage in behaviors that are responsible and mature. I understand that intoxication, use of illegal substance, abusive or inappropriate language and/or behavior resulting in the breaking of conference, hotel or MDC rules, may result in dismissal from the delegation and the conference. I further understand that if any action is in violation of the MDC Student Code of Conduct or the College Discrimination or Harassment Policy I may also be subject to college disciplinary action. If asked to leave the conference, I understand that I will be responsible for reimbursing MDC for any and all expenses incurred for my participation.
