The College will maintain and adhere to a credentialing chart of standards which meet or surpass standard academic practice, program accreditation requirements, and the standards set by the Southern Association of Colleges and Schools and the College's program accreditation organizations.

Pursuant to Section 1008.47, Florida Statutes, the College must seek and obtain accreditation from an accrediting agency or association identified by the State Board of Education before its next reaffirmation or fifth-year review date in the year following reaffirmation or fifth-year review by its regional accreditation organization. This requirement is limited to a one-time change in accreditation. This requirement is not applicable to departmental or certificate programs at the College that have specific accreditation requirements or best practices.
