Student shall not make and/or deliver any check or electronic payments to the College that are not supported by sufficient funds on deposit or is in any way worthless.

7. College Information Systems and Facilities

Students have the privilege of access and use of the College's technological resources such as computers, printers, networks, Internet, software and instructional laboratories. Students must utilize these services in an ethical and legal manner consistent with federal and state law as well as Miami Dade College policy and procedures. Students must comply with all College Policies and Procedures pertaining to the usage of college information systems, computing resources and facilities as defined in College Policy VII-1 and College Procedure 7900. Students must conduct themselves in a manner that reflects respect for the rights of other users, that protects the integrity of data, physical facilities, equipment, and software license copyright (College Policy VII-I and Procedure 7900). Students shall not use any College technological resources for any improper, illegal, or unauthorized uses. If misuse occurs, student privileges may be revoked immediately and the student may be subject to disciplinary action.

Students are prohibited from contracting in the name of Miami Dade College, or claiming to be official representatives of the College or using the College's name, logo or likeness for any purpose including but not limited to commercial purposes.

10. Damage or Destruction of Property

Accidental damage, vandalism, malicious damage to property belonging to Miami Dade College or others may require restitution from persons responsible for such damage and/or disciplinary action.

11. Defamation, Threats, and Extortion

Verbal or written communication that unlawfully exposes any individual or group to hatred, contempt, or ridicule, and thereby injures the person, property, or reputation of another, is prohibited.

Verbal or written communication that threatens another of a crime or offense, or threatens injury to the person, property, the College or reputation of another, or maliciously threatens to expose another to disgrace, with the intent to extort money or other advantage whatsoever, is prohibited. Any violation of this provision will result in automatic suspension for a period of at least one year.

12. Disruption

Florida Statute 877.13 provides that disruption of the normal activities of the institution is prohibited. Disruption shall include, but not be limited to, the following: Physical violence or abuse of any person or College-owned or controlled property, or at College sponsored or supervised functions, or conduct which threatens or endangers the health or safety of any person.

Deliberate interference with academic freedom and freedom of speech, including not only disruption of a class, but also interference with the freedom of any speaker invited by any section of the College community to express his/her views. (Faculty are authorized to have students removed from class if warranted.)

Forcible interference with the freedom of movement of any guest of the College. Blocking of entryways to buildings, rooms, or sections of buildings, or of hallways, or stairways, in such fashion that people find it difficult or impossible to pass.

The possession and use of controlled substances by members of the Miami Dade College community must at all times be in accordance with APPLICABLE FEDERAL, STATE AND LOCAL LAWS, the rules of the Florida Board of Education, and the Policies and Procedures of Miami Dade College. Under Florida law, no person may possess, sell, or deliver substances regulated under the provisions of Chapter 893, Fla. Statute (controlled substances) unless dispensed and used pursuant to prescription or otherwise authorized by law. Students at the College who possess, use, or deliver controlled substances not dispensed and used pursuant to prescription are subject to disciplinary action, up to and not including expulsion from the College.

Disciplinary action against a student under College Policy does not preclude the possibility of criminal action against that individual. The filing of criminal charges similarly does not preclude action by the College. The use of illegal drugs and the misuse of prescription and other drugs pose a serious threat to the physical and mental well being of the students, faculty, and staff at the College. The College is committed to providing accurate information and educational programs to prevent such use of drugs. For further information about these programs and services, contact the campus Student Dean.

15. Misuse of Emergency Equipment

Such term shall include, but is not limited to, any brutality of a physical nature, such as whipping, beating, branding, forced consumption of any food, liquor, drug, or other substances, or any other forced physical activity that could adversely affect the physical health or safety of the individual, and shall include any activity that would subject the individual to extreme mental stress, such as sleep deprivation, forced exclusion from social contact, forced conduct which could result in extreme embarrassment, or any other forced activity that could adversely affect the mental health or dignity of the individual. Any activity as described above, upon which the initiation or admission into or affiliation with any student organization is directly or indirectly conditioned, shall be presumed to be a “forced” activity, the willingness of an individual to participate in such activity notwithstanding.
