Do you want to return to school?  
Do you need help making decisions about a career?  
Do you have questions about financial aid?  

COME TO THE EDUCATIONAL OPPORTUNITY CENTER

What is the Educational Opportunity Center?  
The Educational Opportunity Center (EOC) is a program at the InterAmerican Campus of Miami Dade College committed to helping you begin or continue your education. We provide FREE educational, career, and college financial aid counseling to adults in Miami-Dade County, to help them enter Miami Dade College or any school of their choice.

You may qualify  
If you live in Miami-Dade County, are 19 years old or older, are of modest income, and your parents or the parent or guardian who raised you did not graduate from a college or university.

WHAT CAN THE EOC DO FOR YOU?  

Financial Aid  
The EOC assists you in:  
• Applying for federal and state grants to cover the cost of attending school  
• Completing financial aid forms and sending them electronically  
• Entering college work-study programs  
• Applying for state, local, or private scholarships

Educational Choices  
The EOC offers you:  
• Access to quality education  
• Information on educational institutions within the region, the state and the nation  
• Assistance in the application process  
• Assistance in transferring to an upper-level college or university program

Career Choices  
The EOC helps you:  
• Discover your career interests  
• Discover your aptitudes and abilities  
• Select career areas that match your interests and abilities  
• Gather information on colleges or vocational-technical schools
