What Are The Limitations Of Ownership?  
(THE FIRST OF A FOUR - PANEL SERIES)

Panel discussion, moderated by Dr. Alfredo Triff (Miami Dade College), examining the action of artist Ai Weiwei, whose video of smashing an authentic Ming vase he owned resulted in a similar action by a local artist who smashed one of Ai Weiwei's vases at the newly-inaugurated Perez Art Museum (PAMM). Can the destruction of an object of cultural and historical significance ever be justified?

The panel will include Dr. Babacar M'bow, the newly-appointed (by the City of North Miami) Director of MOCA, Maximo Caminero, a local artist, and Nina Johnson-Milewski, from Gallery Diet in Wynwood.
