All Small Business owners and employees can benefit from this program. In the economic depression small businesses suffer the most. However, by learning how to go about sourcing funds, how to ensure liquidity, how to land good government contracts, etc., your business can receive a boost. Success is achieved by the acquisition and the good management of resources. This program seeks to address good management practices.

The Seminars/Workshop will be conducted in the spring of 2010.

To qualify:

1. *Your Business must operate in the following neighborhoods: Overtown, Liberty City, Allapattah, Little Haiti, Wynwood, Flagami, and Little Havana.*
2. *Your Business has been in operation for at least 6 months.*
3. *You commit yourself to attending at least 2 Seminars.*
