### YOUNGARTS WEEK

Every year up to 150 of the nation's most talented 17 and 18 year old artists, spanning nine disciplines, converge in Miami for YoungArts Week. Selected from more than 4,500 applicants from across the country, this week-long gathering provides gifted young artists with life-changing artistic enrichment experience.

An esteemed panel of adjudicators who are considered leaders in their fields selects the students who receive the honor of being invited to attend YoungArts Week. Wolfson Campus Photography Professor Joseph Tamargo is one of two national panelists in photography.
