When you arrive at Miami International Airport, get your luggage and then take a taxi to the hotel. Taxis are outside the airport on the lower level. The price of a taxi is around $25, and people usually tip around 10 - 15%. The trip to the hotel is about 20 minutes by taxi. Taxis in Miami are safe. There is also a “Super Shuttle” (shared ride van) which is cheaper. The hotel is:

When you arrive at the hotel, check in and you will get a letter with more information. Rooms are double occupancy. Registration for the Orientation will begin Tuesday morning at 8:45 a.m., and then a photographer will take a group photo. The program will continue through Thursday evening. On Friday you will check out of the hotel and go to the airport to fly to your university.

The hotel is located across the street from Bayside, a beautiful marketplace on the bay, with shops and restaurants. Miami Dade College is around the corner from the hotel. A continental (cold) breakfast is included and is served starting at 6:30 a.m. Most other meals are also included.
The sessions will be held in Building 7 of the College, also called ECOTA, 500 NE 2nd Ave. Some of the evening activities will include taking a historic boat ride on Biscayne Bay, as well as visiting famous South Beach.

The weather in Miami in summer is very hot and sometimes rainy. The sessions at the College will take place in air conditioned rooms, which you may find cold. Bring a sweater and an umbrella. Dress is casual. The hotel has a swimming pool, so you may want to bring a bathing suit.
