*To compete for the scholarships listed above; students must submit and complete the admissions application by the notification dates. Florida residents may also qualify for scholarships from the Florida Bright Futures Program which may add to the total value of their scholarship. Scholarship funds are limited and are awarded on a first-come first-serve basis. Decisions are made by the scholarship committee and are based on a student's strong academic credentials. Students are eligible for only one of the scholarships listed above. Meeting the minimum requirements for a scholarship does not guarantee selection or admission to the University.
