

## Nursing - R.N. (Transitional Part-Time)

Associate in Science | Code: 23026 | 72 credits CIP (1351380100) Effective Term: Fall 2024 (2247)

The Transition Option in Nursing is designed for students pursuing the career of a professional nurse who hold a license or certificate in specific healthcare fields for a career as a Registered Nurse (RN). The content and clinical experiences are designed to meet the learning and professional socialization needs of this special category of student. The program is accredited by the Accreditation Commission for Education in Nursing (ACEN), 3343 Peachtree Rd. N.E., Suite 850, Atlanta, GA., 30326, 404-975-5000, acenursing.org and approved by the Florida Board of Nursing (FBON). Graduates are eligible to apply to write the National Council Licensing Examination for Registered Nurses (NCLEX-RN). See the School of Nursing Information website for more specific details about admission requirements. Pre-Admission tests – Applicants must take the ATI Test of Essential Academic Skills (TEAS). Selection is based on cumulative grade point average (GPA) and completion of required program courses. See the School of Nursing program requirements for specific details.

## Additional Information:

- In order to complete 18 credits in the Mathematics/Science area, select additional credits with any prefix in the areas of natural science/mathematics that do not include courses used to meet the 18 credit general education requirements. Completion of the required sciences satisfies the general education science requirement. Credits used in this area may not be used to satisfy another area.

- Students must have 12 credits in natural science/math, including all content contained in both Human Anatomy and Physiology courses and their corresponding labs.

Computer Competency (Waived with a Associates of Art degree or higher from an accredited institution)

By the 16th earned college level credit (excluding EAP and college preparatory courses), a student must take the Computer Competency Test and pass **or** 

By the 31st earned college level credit (excluding EAP and college preparatory courses), a student must pass CGS 1060, an equivalent continuing education or vocational credit course or retest with a passing score on the Computer Competency Test.

- Due to the limited number of students that can progress to discipline courses in the School of Nursing Associate Degree Programs, it is important that students be properly informed. For information, advisement, application forms and deadline dates, interested students should contact the New Student Center, Medical Center Campus.
- Students with 2 or more grades of "D", "F", or "W" in required science courses are not eligible to progress into the Associate Degree Nursing program discipline courses. Students are also required to have no more than (2) enrollments (D, F, W) for any individual science course for the program.
- Minimum GPA of 2.0 is required.
- Licensing requirement for the Florida Board of Nursing must be met please review at <a href="https://floridasnursing.gov/licensing/licensed-practical-nurse-registered-nurse-by-examination/">https://floridasnursing.gov/licensing/licensed-practical-nurse-registered-nurse-by-examination/</a>.
- Students should check their academic requirement report to determine the specific graduation policies in effect for their program of study for the year and term they entered Miami-Dade. This outline includes current graduation requirements.
- The final responsibility for meeting graduation requirements stated in your academic requirement report rests with you.
