### Employment and Outcomes

- **79%** Associate in Arts graduates who transferred to Florida colleges and universities to continue their education.
- **96%** Associate in Science degree graduates who found employment (including serving in the Military).
- **97%** Bachelor’s degree graduates who found employment (including serving in the Military).

### Institutional Resources and Effectiveness

#### Faculty

- **99%** of full-time faculty have advanced degrees.
- **50%** of faculty speak more than one language.
- **20%** of MDC’s expenditures are allocated to institutional support, auxiliary enterprises, and other expenses and scholarships.

#### Impacts

**Economic Mobility**

- MDC students are among the most likely to improve their economic standing.
- **36%** of MDC students move up two or more income quintiles.
- **5%** of MDC students move from the bottom to the top income quintile.
- MDC ranks 2nd among Florida colleges and 4th among non-selective four-year public colleges nationally in economic mobility.

**Job Placement**

- **97%** of Associate in Science graduates are placed in training related jobs. 96% are working right after graduation.
- 83% of Baccalaureate graduates are placed in training related jobs. 97% are working right after graduating.
- MDC outperforms the 2018 Community College Student Satisfaction Survey of Student Engagement (CCSSE) cohort, extra-national in economic mobility.

**About the Data:**

Unless otherwise indicated, data are for students seeking a certificate/no more than 25 languages spoken.

Data are from Miami Dade College’s administrative records, student surveys, projects/studies, the Florida Department of Education’s Florida College System Research and Analysis, and the U.S. Department of Education’s Integrated Postsecondary Education Data System. Updated 4/2020.
Tuition and Fees

- Annual tuition and fees for associate degree programs (full-time, 30 credits): $3,547
- Annual tuition and fees for bachelor’s degree programs (full-time, 30 credits): $3,897

Financial Aid

- Average amount of grant or scholarship aid that full-time, first-time students received: $6,027
- MDC typically awards grant or scholarship aid that exceeds tuition and fees: $3,189

Progress and Completion

- 71% of students have an annual household income of less than $38,061
- 78% work while attending College

Professional Development and Continuing Education Programs

26,356 Non-Credit Students Enrolled

- Associate in Arts (transfer degree)
- Associate in Science (career-oriented two-year degree)
- Bachelor’s degree
- College Credit Certificate (short-term career programs)
- Other (non-degree programs for transfer, skills upgrade, or personal interest; dual enrollment)

Reasons for choosing MDC:
- Quality/Reputation
- Cost
- Location
- Specific programs

MDC was their first choice of institution to attend (90%)

Retention Rate

- 65% of first-time, full- and part-time students who returned the subsequent fall term after their first year

Graduation Rate

- 44% of first-time, full-time degree/certificate-seeking students who graduated in three years (83% male, 17% female)

Success Rate

- 92% of first-time-in-college students who graduated, are still enrolled in good standing, or who transferred after four years

Students are more likely to return if they are:
- Passing their classes
- Enrolled in in-person classes
- Enrolled full-time
- Academically prepared
- Enroll directly after high school

Students say the following reasons are most likely to cause them to withdraw:
- Transfer to four-year institution
- Lack of finances
- Working full-time
- Caring for dependents

Adjusted Net Price (Tuition and Fees minus Average Grant Aid for a 9-month Academic Year) for full-time, first-time students

- $6,027 for associate degree programs
- $3,189 for bachelor’s degree programs

Only 3% of MDC students take on federal student loans

MDC confers more associate degrees than any other community college in the country.
