Fee Exemption Form for Students Experiencing Homelessness

INFORMATION AND ELIGIBILITY CRITERIA

In accordance with statute 1009.25 (1)(f), students who lack a fixed residence are eligible to receive a waiver for their tuition. Students must provide a letter from a recognized agency which clearly states that he/she is currently experiencing homelessness. The letter must also confirm that the person is living in a temporary residence or a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings. The agency's letterhead, phone number, address and the name of the person making the referral must be on the letter and legible. The document must also have the date the person started receiving services from the agency and the signature of the official making the referral.
