Out-of-State Fee Waiver
For Select Florida High School Graduates

INFORMATION AND ELIGIBILITY CRITERIA

Effective July 1, 2014, and applicable Fall Term 2014 and thereafter, House Bill 851 [amended section (s.) 1009.26, Florida Statutes *(F.S.), fee waivers*] authorized an out-of-state fee waiver for students who meet all of the following eligibility criteria:

- Attended a Florida high school for the last three consecutive years immediately before graduation from a Florida high school.
- Submitted an official high school transcript providing evidence of high school attendance as listed above.
- Submitted an admission application to a Florida College System or State University System institution within 24 months of high school graduation.

Please note: Receipt of this out-of-state fee waiver does NOT constitute classification as a Florida resident for tuition purposes. Students who receive this waiver remain classified as non-Florida residents for tuition purposes and are NOT eligible for state financial aid, including Bright Futures Scholarship. Residency for tuition purposes must be determined before this waiver is applied (if all criteria above are met). Students may enroll using the waiver for the number of credit hours that would equal 110 percent of the total number of required college credit or vocational credit hours of the students' declared degree or certificate program.
