

Course Description

CJK0073 | Crimes Involving Property and Society | 0.40 credits

The student will learn the different types of crimes such as theft, burglary, white collar crimes and animal cruelty. The student will also learn about loitering, disorderly behavior, illicit drugs and vice crimes. For School of Justice students only.

Course Competencies:

Competency 1: The student will discuss property crimes by:

1. Describing how to respond to an incident involving petit or grand theft and incidents involving a stolen vehicle or property
2. Describing how to respond to an incident involving criminal mischief, trespassing, or burglary, and how the Florida statutes can enhance the penalties
3. Describing how to respond to a variety of financial crimes, such as fraud, telephone scams, phishing, and identity theft
4. Describing how to respond to an incident involving animal cruelty

Competency 2: The student will discuss crimes against society by:

1. Describing how to respond to an incident involving loitering, prowling, breach of the peace, disorderly conduct, or disorderly intoxication, and how to coordinate with other officers when responding to an open house party
2. Describing how to respond to an incident involving possession of a controlled substance, drug paraphernalia, or drug trafficking, and how to recognize vice crimes and the characteristics of organized crime

Learning Outcomes:

- Communicate effectively using listening, speaking, reading, and writing skills
- Formulate strategies to locate, evaluate, and apply information
