

Course Description

EAP0260 | Grammar Level 2 | 3.00 credits

Students continue to develop control of basic grammatical structures and statement/question patterns. Prerequisite EAP 0160.

Course Competencies

Competency 1: The student will demonstrate proficiency by:

1. Using the grammatical structures from Level 1 (See competencies for this level)

Competency 2: The student will demonstrate understanding of sentence structure, conjunctions and clauses by:

1. Using simple sentences (S+V+C/objects)
2. Using compound sentences (but, and, or, so)
3. Using complex sentences with high frequency subordinating conjunctions in adverb clauses showing sequence or reason (e.g. after, before, when, because)
4. Using questions with WH-interrogatives

Competency 3: The student will demonstrate understanding of parts of speech and phrases by:

1. Using irregular plural nouns, count and non-count nouns, noun phrases with quantifiers (some, many, a lot of, any, much), nouns as objects, subject, object and possessive pronouns, possessive adjectives, adverbs of frequency and manner, and prepositional phrases in appropriate word order and context

Competency 4: The student will demonstrate understanding of verbs (tense and aspect) by:

1. Using active voice verbs appropriately in affirmative and negative statements, and question forms and short answers in the simple present as contrasted with present progressive; simple past of regular and high frequency irregular verbs, including there was/were; and simple future (will/be going to)

Competency 5: The student will demonstrate understanding of common modals and related phrasal forms by:

1. Recognizing contextualized meaning
2. Using will/be going to, have to/need to, want to/like to/would like to in affirmative, negative, and question forms for present and future intention

Learning Outcomes:

- Communicate effectively using listening, speaking, reading, and writing skills
