

Course Description

EEC4936 | Student Teaching Seminar: ECE | 2.00 credits

The student will discuss and reflect on their development and mastery of the Florida Educator Accomplished Practices (FEAPS) during the completion of their student teaching experience in a classroom setting.

Course Competencies

Competency 1: The student will recognize the role of the teacher by:

1. Developing short and long term personal and professional goals related to the Florida educator accomplished practices
2. Preparing a professional development plan with the assistance of cooperating and supervising teachers and reflect on meeting its goals
3. Reflecting on P-12 student learning experiences and outcomes to plan for instruction
4. Identifying instruction that uses a variety of materials and resources in P-12 settings
5. Participating in a variety of professional activities appropriate to the area of specialization

Competency 2: The student will prepare for professional employment by:

1. Attending sessions on applying for a job with Miami Dade county public schools and Broward County public schools
2. Attending a session on the purpose and creation of the instructional performance evaluation and growth system
