

Course Description

MSL1002 | First Year Basic Army ROTC | 2.00 credits

Continues basic leadership training. Additionally introduces students to officer duties, awards and decorations, individual military skills, radio communication procedures and physical fitness. Physical training and lab required.

Course Competencies:

Competency 1: ROTC Military Science (MS) I Course and Purpose:

MSL1002 Spring semester Cadets learn the basics of the communications process and the importance for leaders to develop the essential skills to effectively communicate in the Army. Cadets will begin learning the basics of squad-level tactics that will be reinforced during a weekly lab session facilitated by MS III Cadets, supervised by MS IVs and Cadre.

Learning Outcomes:

- Communicate effectively using listening, speaking, reading, and writing skills
