Schedule Your Class Today!
Program Times: Mon-Fri 10:00 a.m. to 1:00 p.m.
Please arrive by 9:45 a.m.

Reservations:
Call 305-237-0905 to schedule trips in advance for a minimum of 20 children and a maximum of 100 per day. Select a total of three topics. The day includes ½-hour for lunch and additional time to feed the fish at our pristine lake. Children should bring their own lunch.

Tour Fees:
$6.00 per student, teachers are free.
The ratio for free chaperones is one per every 10 children. Adults in excess of the ratio will be charged $6.00 each.

Payment is required the day of the field trip and should be in the form of check or money order payable to:

Miami Dade College
No credit cards or purchase orders will be accepted. NO EXCEPTIONS!

Cancellations and Rescheduling Policy: Field trips must be cancelled 2 business days before scheduled tour. If not, schools will be responsible for full payment.

No-Shows: Naturalists will wait ½-hour for a scheduled bus to arrive. After that, the tour will be cancelled and the school will be charged for the full reservation.

WE ALSO OFFER BADGE PROGRAMS FOR SCOUTS AND BIRTHDAY PARTIES ON WEEKENDS. CALL TODAY TO FIND OUT MORE.

**SUSTAINABLE RESOURCES**

**Natural Resources: 4th – 8th**
Classified as renewable and non-renewable, natural resources are the root of a functioning society. Through hands-on activities students will learn how humans process, use, enhance, and dispose of natural resources.

**Planting a Seed: Pre-K – 2nd**
Seeds are the nuts and bolts of a plant's life. Your students will learn about the plant's life cycle and their critical role in our ecosystem. By planting a seed in a paper-crafted pot and using organic soil, your students take home their own plants and watch them grow.

**Water, Water, Everywhere: K – 8th**
Explore the wonders of water! Learn about Florida's water cycle including the role of the aquifer in our drinking water. Through hands-on activities, students will learn how pollution and other man-made factors affect our water quality and supply.

**WILDLIFE INTERACTIONS**

**Bugs and Butterflies: Pre-K – 5th**
Students will be introduced to the basic characteristics of arthropods, such as anatomy, adaptations, and life cycles. Our live arthropod collection and active butterfly garden will surely fascinate your students!
