Fifth President of Miami Dade College | December 8-10, 2021

ON NOVEMBER 17, 2020, PRESIDENT PUMARIEGA BECAME THE FIFTH AND THE FIRST FEMALE PRESIDENT OF ONE OF THE NATION'S LARGEST AND MOST RESPECTED COLLEGES IN ITS 60-YEAR HISTORY

Prior to becoming MDC's President, Pumariega was appointed the first female and Hispanic chancellor of the Florida College System. In 2019, she became the executive vice president and provost of Tallahassee Community College, where her innovative approaches advanced the College's three core divisions: academic affairs, student affairs, and workforce development. She also previously served as president of Take Stock in Children, a statewide non-profit focused on breaking the cycle of poverty by helping students complete their high school education and advance into post-secondary education and careers.

President Pumariega's strategic vision to prioritize the 21st century student experience to meet the extraordinary opportunities and challenges of the moment is informed by decades of academic service, leadership, and success.

These events will celebrate the inauguration of Madeline Pumariega as the fifth and first female President of Miami Dade College.
