Students/Parents: There is such a wonderful world of learning out there – along with so many majors to meet your learning and career desires. Here is a very comprehensive list of majors that are being offered by colleges and universities across the country.

This information comes from College Board “Big Future: [https://bigfuture.collegeboard.org/explore-careers/college-majors](https://bigfuture.collegeboard.org/explore-careers/college-majors)

Just “click” on the major that you are interested in and you will be taken to a page that will have the following information:

- Description of the major
- Where is the major used
- Which colleges offer this major
- College checklist for this major
- **Helpful High School courses to take**
- Typical college classes that you will take
- Related majors
- Related careers
