

How to View Your Test Scores on MDConnect

Follow these simple steps to access your test results on the MDConnect Student Portal:

1. Login to MDConnect Student Portal

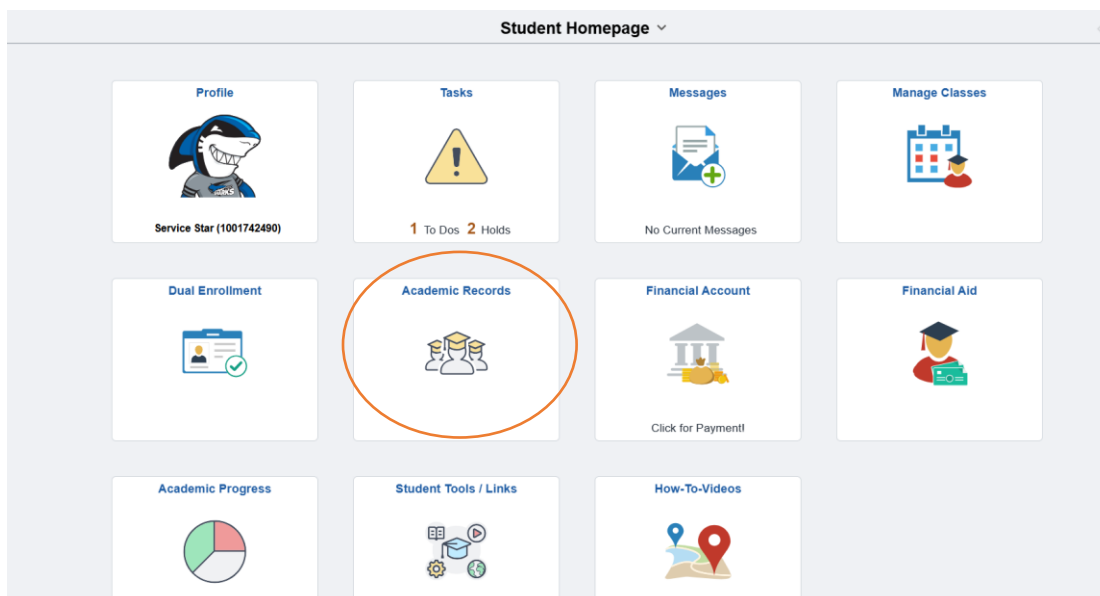

- Go to <https://cs.mdc.edu/psp/PMYM1J/CUSTOMER/SA/?cmd=login>
- Enter your Username and Password

The image shows the MDConnect login page. At the top is the MDConnect logo, which consists of a cluster of blue and grey hexagons followed by the text "MDConnect". Below the logo are three input fields: "Username john.smithe013" with a text box, "Password" with a text box, and "Select a Language" with a dropdown menu currently set to "English". A blue "Sign In" button is positioned below these fields. Underneath the button is a checkbox for "Enable Screen Reader Mode" and two links: "[I forgot my username or password](#)" and "[I want to change my password](#)". At the bottom of the page, it says "Copyright © Miami Dade College".

2. Access Academic Records

- Once you're on your Student Homepage, click on the Academic Records icon.

The image shows a "Student Homepage" dashboard with a grid of icons. The "Academic Records" icon, which depicts three graduation caps, is circled in orange. Other icons include "Profile" (a shark), "Tasks" (a warning sign with "1 To Dos 2 Holds"), "Messages" (an envelope with "No Current Messages"), "Manage Classes" (a calendar), "Dual Enrollment" (a person with a checkmark), "Financial Account" (a building with "Click for Payment!"), "Financial Aid" (a person with a graduation cap), "Academic Progress" (a pie chart), "Student Tools / Links" (a gear and play button), and "How-To-Videos" (a map with a location pin).

3. View Your Test Scores

- On the left-hand menu, select View My Test Scores
- Your test results will appear on the right side of the screen.
