C-Edit Help – help program for using the Configuration Editor program of the 3M Coding and Reimbursement System

Coding and Reimbursement System – a group of protocol-driven, interactive encoding products that assist manual medical record coding through computerized medical decision-making techniques

Coding Products Help – help program for using the 3M Coding and Reimbursement System

Coding Reference – seventh edition of the International Classification of Diseases, 9th Revision, Clinical Modification (ICD-9-CM)

Anatomy and Physiology
> **A.D.A.M. Applications**
>> Version 03.00.05.00, Copyright 1997, A.D.A.M. Software, Inc.
>> **A.D.A.M. Interactive Anatomy** -
>>> **_A.D.A.M. Interactive Anatomy Help_** – help program for using A.D.A.M. Interactive Anatomy
>>> **_A.D.A.M. Interactive Anatomy_** – provides powerful tools and search capabilities, offering the end user unparalleled access to over 20,000 anatomical structures in four different views
>>> **_Driver's Education_** – guide outlines problems you might have using A.D.A.M. Interactive Anatomy, and recommends procedures and resources for their resolution
>>> **_Read Me!_** – read me file for using A.D.A.M. Interactive Anatomy
>> **A.D.A.M. Interactive Physiology (Require CD)**
>>> **_Cardiovascular_** – A.D.A.M. Interactive Physiology program covering the Cardiovascular system
>>> **_Fluids_**- A.D.A.M. Interactive Physiology program covering the Fluids
>>> **_Muscular_** – A.D.A.M. Interactive Physiology program covering the Muscular system
>>> **_Nervous_** – A.D.A.M. Interactive Physiology program covering the Nervous system
>>> **_Respiratory_** – A.D.A.M. Interactive Physiology program covering the Respiratory system
>>> **_Urinary_** – A.D.A.M. Interactive Physiology program covering the Urinary system
>> **A.D.A.M. Practice Practical 1.0**
>>> **_A.D.A.M. Practice Practical 1.0_** – a multipurpose learning tool that gives you a wide variety of options to review anatomy and test your anatomical knowledge
> **BodyWorks6**
>> Version 6.0, Copyright 1997, Publisher Mithos, Software, Inc.

BodyWorks6 – an interactive information system designed to let you explore the world of anatomy.

Cook Book Learner

Publisher LWRITER
Cook Book Learner – tutorial covering nutrition
Cardiorespiratory Menu
Arterial Blood Gas interpretation

Arterial Blood Gas Interpretation- tutorial covering arterial blood gas interpretation
Clinical Simulations
Copyright 1982-1990, Publisher MEDI-SIM, INC.
Acute Epiglottis Simulation – clinical simulation covering Acute Epiglottis
ARDS Simulation – clinical simulation covering ARDS
Aspiration Pneumonitis Simulation – clinical simulation covering Aspiration Pneumonitis
Automobile Accident Simulation – clinical simulation covering an automobile accident
Burn Patient Simulation – clinical simulation covering a burn patient
Chest Trauma Simulation – clinical simulation covering a chest trauma
COPD-General Management Simulation – clinical simulation covering general management of a COPD patient
COPD-Home Care Simulation – clinical simulation covering home care management of a COPD patient
CPR Simulation – clinical simulation covering CPR
Croup Simulation – clinical simulation covering Croup
Cystic Fibrosis Simulation – clinical simulation covering Cystic Fibrosis
Drug Overdose – clinical simulation covering a drug overdose
Flail Chest Simulation – clinical simulation covering Flail Chest
Head Trauma Simulation – clinical simulation covering Head Trauma
Myasthenia Gravis Simulation – clinical simulation covering Myasthenia Gravis
Near Drowning Simulation – clinical simulation covering a near drowning
Pediatric Asthmatic Simulation – clinical simulation covering a Pediatric Asthmatic
Post-op Pneumonia Simulation – clinical simulation covering Post-op Pneumonia
Post-op Thoracic Surgery Simulation – clinical simulation covering Post-op Thoracic Surgery
Premature Neonate Simulation – clinical simulation covering a premature neonate
Pulmonary Edema Simulation – clinical simulation covering Pulmonary Edema
Pulmonary Embolism Simulation – clinical simulation covering Pulmonary Embolism
Pulmonary Function Testing Simulation – clinical simulation covering Pulmonary Function Testing
Smoke Inhalation Simulation – clinical simulation covering Smoke Inhalation

Status Asthmaticus Simulation – clinical simulation covering Status Asthmaticus

Ventilator Weaning Simulation – clinical simulation covering Ventilator Weaning

Clinical Simulations 2

Copyright 1982-1990, Publisher MEDI-SIM, INC.

BPD Simulation – clinical simulation covering BPD

COPD-Acute Exacerbation Simulation – clinical simulation covering an acute exacerbation of COPD

Guillian-Barre Syndrome Simulation – clinical simulation covering Guillian-Barre Syndrome

Meconium Aspiration Simulation – clinical simulation covering Meconium Aspiration

Neonatal Asphyxia Simulation – clinical simulation covering Neonatal Asphyxia

Neonatal Distress Simulation – clinical simulation covering Neonatal Distress

Persistent Fetal Circulation Simulation – clinical simulation covering Persistent Fetal Circulation

Post-Op CV Surgery Simulation – clinical simulation covering Post-Op CV Surgery

Restrictive Disease Simulation – clinical simulation covering Restrictive Disease

Sepsis Simulation – clinical simulation covering Sepsis

Sleep Apnea – clinical simulation covering Sleep Apnea

Stress Testing Simulation – clinical simulation covering Stress Testing

Ventilator Commitment Simulation – clinical simulation covering Ventilator Commitment

Ventilator Management Simulation – clinical simulation covering Ventilator Management

EMS Clinical Simulations

Copyright 1992, Publisher MEDI-SIM, INC.

Cardiogenic Shock – clinical simulation covering Cardiogenic Shock

Chest Trauma Assessment Tutorial – clinical simulation covering Chest Trauma Assessment

Code Blue – clinical simulation covering Code Blue

Heart Block EMS Simulation – clinical simulation covering Heart Block

Near Drowning EMS Simulation – clinical simulation covering Near Drowning

Trauma Assesment Tutorial

V-Tach EMS Simulation – clinical simulation covering V-Tach
