The MDC PA program trains students for employment as medical professionals who diagnose illness, develop and manage treatment plans, prescribe medications, and often serve as a patient’s principal healthcare provider. Physician Assistants utilize a team approach in collaboration with physician partners to provide excellent healthcare to patients in primary care and across all medical specialties.

The MDC PA program provides high quality education and training opportunities in primary care for students from diverse cultural backgrounds interested in providing health care services to the medically under-served residents in urban and rural communities, especially in Florida. It promotes and maintains high academic and professional standards. Through their tenure in the program, students participate in professional activities and continuing education to promote life-long learning. Graduates from the program are prepared with a level of didactic and clinical competence that provides successful entry into the profession.

The PA program is fully accredited (status-continued) by the Accreditation Review Commission on Education for the Physician Assistant (ARC-PA) until September 2025. Graduates from the MDC PA program are eligible to take the Physician Assistant National Certification Exam (PANCE).
Follow these instructions to complete the PA Program application process:

Waivers/Exemptions

Introduction to Healthcare (HSC 0003) Waiver Process

Generally, only students who are licensed health care workers may be eligible. Students who have taken a similar course and can prove through syllabus evaluation the course objectives and learning outcomes are equivalent and have been satisfied may also qualify.

Follow the steps to apply here https://www.mdc.edu/medical/healthcare-exemption-process.aspx

Waiver will only be accepted once a student has completed the entire process above and the course has posted on their transcripts (Transcript will reflect course as HSC0995). Transcripts that do not reflect completion of HSC 0003 with a letter grade of C or better (for both lecture and lab) or the HSC 0995 by Oct 15 will not be eligible.
