DATE OF BOARD ACTION: 7/21/2026

1. This policy establishes the governance framework for Miami Dade College (MDC) regarding accountability, assessment and data reporting. In its capacity as the local education agency, MDC ensures high academic standards and strict data integrity for the charter schools it sponsors.
2. The Florida Charter Institute (FCI) is authorized to maintain systems, procedures and oversight mechanisms necessary to ensure charter school participation in Florida's accountability and assessment systems, including accurate submission of required data. Oversight shall focus on verification, coordination, and compliance assurance, and shall not involve direct operation of school-level instructional or data systems unless required by Florida's Department of Education.
3. Procedures. The Executive Director of the Florida Charter Institute is responsible for and authorized to adopt procedures necessary for implementing this policy.
