DATE OF BOARD ACTION: 3/21/2000, 9/29/2005 and 7/19/2011

The District Board of Trustees delegates to the College President the authority and responsibility to assess College facility needs. Such needs shall be identified within the context of a master planning process that emphasizes instructional and support needs and is guided by the College's financial capabilities. The College President or designee will develop all necessary capital outlay and site planning in order to present appropriate recommendations to the Board regarding facility needs.
