II. PROCEDURE

Miami Dade College (MDC) is an equal access/equal opportunity institution and is committed to recruit, employ, grant salaries, and to promote personnel without regard to sex, race, color, marital status, age, religion, national origin, disability, veteran’s status, ethnicity, pregnancy, sexual orientation, or genetic information, in compliance with all Federal and State legislation and regulations related to non-discrimination. This legislation includes The Civil Rights Act of 1964, as amended; the Civil Rights Act of 1991; Executive Order 11246; Title IX of the Education Amendments of 1972; Section 504 of the Rehabilitation Act of 1973; the Americans with Disabilities Act (ADA) of 1990; the Americans With Disabilities Act Amendment Act (ADAAA) of 2008; the Genetic Information Non-Discrimination Act (GINA); The Florida Educational Equity Act; Sections 1000.05 and 240.152 of the Florida Statutes; and State Board of Education Rules 6A-19.001, 6A-19.010 and 6H-1.041. The MDC Office of Equal Opportunity Programs/ADA/Title IX, may be consulted regarding the College’s diversity requirements.

A. The online employment application for both new applicants and current MDC employees applying for employment or other assignments can only be obtained through the Recruiting Services website at www.mdc.edu/jobs/ or via MDConnect self-service. All applicants are required to complete an official online Miami Dade College Employment Application to which a cover letter, resume and copies of transcripts may be loaded.
1. Supervisors are responsible for directing interested applicants to follow the process outlined in the MDC online employment application instructions. Only applications submitted through the online self-service portal/job website will be considered as part of the official College applicant pool.

2. No applicant under 18 years of age will be considered for employment with the exception of student assistants eligible under the College’s Work Study Program. Effective January 1, 2008, in accordance with the Florida State Child Labor Standards affecting minors under the age of 19 in non-farm employment, minors are eligible to work 8 hours per day, 30 hours per week, 6 days a week during the school year. Night work is prohibited from 11:00 P.M. to 6:30 A.M. before the start of the school day.

B. All employment advertising, including placing advertisements on print, web, social media, mobile devices, special publications and print shall be managed by the Division of Human Resources Recruiting Services Department.

   1. The online job posting will outline general duties, responsibilities, the salary range, minimum requirements and qualifications of the position. Information on vacancies may be obtained by visiting the College’s job website.

C. Except as noted below in Section II, D, all new and/or vacant full-time and part-time positions must be posted by the Division of Human Resources on MDC’s job page for a minimum period of five (5) business days. Submission of a Personnel Requisition Form (https://www.mdc.edu/hr/OnlineForms/Personnel_Requisition.pdf) to the Division of Human Resources will initiate posting of the vacant position and any other mutually agreed upon recruitment action(s). The following shall apply to all vacant full-time positions.

   1. No employment commitment may be made during the recruitment process (e.g. posting period, interviews, salary quote process, etc.) until authorized by the Division of Human Resources.

   2. Supervisors anticipating a vacancy are encouraged to complete the position justification form and personnel requisition form and submit to the attention of the College Provost for review and approval.

   3. When employees are promoted to a vacancy in a higher level position within the same organizational unit, resigns, or is terminated --including death-- their prior positions may be posted with appropriate approvals. The process outlined in C.2. must be adhered to. A vacancy does not automatically serve as approval to process a personnel requisition. Approved, posted job vacancies will be closed after six (6) months of no activity. The Department will be required to resubmit personnel requisitions for approval.
D. Exceptions to the posting requirements:

1. The Vice Provost of Human Resources, or designee, is authorized to waive or shorten the five (5) day posting requirement in extenuating circumstances which adversely affect the operation of the institution.

2. Posting is not required for intra-departmental transfers for similar positions (within the same pay grade), which do not create a vacancy. However, when there is more than one qualified person within the department, the position must be posted.

E. To initiate the recruitment process, the supervisor must complete the following forms:

i. Position Justification
   [https://www.mdc.edu/hr/OnlineForms/Employment/position_justification.pdf]

ii. Personnel Requisition
   [https://www.mdc.edu/hr/OnlineForms/Personnel_Requisition.pdf]

and review the job descriptions found on the Human Resources website at
[https://www.mdc.edu/hr/Compensation/default.asp] to confirm job requirements and submit through the appropriate business process outlined in C.2 and forward to the Recruiting Services Department for posting. For newly created positions, a job questionnaire must be completed and submitted to the Compensation Department for evaluation prior to posting. This process may take a minimum of one (1) week for completion.

F. Applications will be accepted and referred for consideration for as long as the position is posted. For best consideration, applications should be submitted by the “First Review Date” as indicated on the job posting. Full-time positions will be reviewed after two (2) weeks and part-time positions after one (1) week. Additional rounds of screenings may be initiated as needed. The College reserves the right to consider or not consider applications received after the “First Review Date”.

G. Screening for all full-time vacancies must be conducted by a duly constituted and trained screening committee. All full-time professional exempt contractual (PEC) and faculty (FTF) committees must consist of three or five members, not to include the hiring manager. In extenuating circumstances, the committee may be increased to seven members. All full-time professional exempt non-contractual (PNC) and support non-exempt (SNE) positions must have three full-time employees to screen/interview qualified candidates, one being the hiring manager.

H. Campus Presidents, District Area Heads or designees will appoint screening committees and the respective screening chairperson for professional exempt contractual (PEC) and faculty positions. The hiring managers will not serve as a committee member on these screening committees.

   b. The screening committee will be composed of individuals who report to, or interact with, the position. These committee members will have access to the online pool of applicants. Efforts will be made to ensure that the pool is racially, ethnically and gender diverse and comprised of individuals representative of the community we serve. Members of the committee are responsible for reviewing online applicant pools; adhering to Equal Access/Equal Opportunity (EA/EO) guidelines; evaluating online application packages to identify qualified applicants for interview; interviewing candidates; documenting screening committee activities; and recommending qualified candidates to the hiring manager.
